

## “INTERNATIONAL SHORT FILM FESTIVAL”

**24th Edition**

**July 22 to 27, 2024**

### **GENERAL RULES**

#### **Organisers**

The Municipality of Malesco and the Ed Leuzerie and Scherpelit Ecomuseum are organising the 24th edition of the International Short Film Festival "MALESCORTO" at the end of July 2024. In previous years it has received the patronage of the Piedmont Region, the Fondazione Comunitaria del VCO, the Val Grande National Park Authority, the Ordine degli Architetti, Pianificatori, Paesaggisti e Conservatori (Order of Architects, Planners, Landscapers and Conservators) of the provinces of Novara and Verbano Cusio Ossola, and the Associazione Musei dell'Ossola.

#### **Participants**

Participation in the competition is open to all, regardless of nationality or place of residence. Filmmakers, production companies and educational establishments are admitted.

In the case of participants under the age of 18, parental or guardian consent will be required.

#### **Requirements and conditions**

There is no participation fee.

Incomplete or illegible materials will not be considered.

Works not in Italian must be subtitled in Italian. If Italian subtitles are missing, they must be provided (separately from the video file) in srt format in one of the following languages: English, French or Spanish. In the absence of the same as described herein, the work may be excluded from participation.

Should the short films received not be deemed of acceptable quality, no prize will be awarded.

### **Duration of short films**

Short films may not exceed a duration of 20 minutes.

### **Submission of materials**

Works must be submitted through the most common video platforms (Vimeo, YouTube and similar), or through online file sharing services (WeTransfer, Dropbox and similar) and private ftp protocols.

In the entry form (to be sent by e-mail) it is always necessary to specify to which subject the prize money will be credited.

As far as school short films are concerned, unless otherwise specified by the participants, the entry is normally considered to be made by the respective school. If, on the other hand, you wish to credit the prize to a party other than the school (director or production company), you must always and in all cases fill in the appropriate form and have the authorisation of the relevant School Institute.
